

Hello RFHS scholars!

Welcome back to school (soon)! You probably got an email from Mr. Wolter, our tech director, about the password change. The yearly password reset will be occurring August 6. Everyone (including you-lol) will need to log into Skyward to find your OtherID number. Here's what this looks like on a computer.

1. Log into Skyward <https://skyward.rfhs301.org/scripts/wsisa.dll/WService=wsSky/seplog01.w>

Go to Student Info on the left side. Look at the middle of the screen - you will see Other Id: 1234567 See the yellow portion in the example? That's where you'll find your number. Go write it down. Now. I'll wait.

Student Information

Critical Alert Information

School: [redacted]@rfhs301.org
Home: [redacted]@gmail.com
Call: [redacted]
ROCK FALLS, IL 61071

View [redacted] Family

Gender: Female Age (Birthday): [redacted]
Language: ENGLISH Graduation Year: [redacted]
Other ID: 2100 Community Service: 0.00 Hours

Emergency Contacts	Primary Phone	Second Phone
[redacted]	[redacted]	[redacted]
[redacted]	[redacted]	[redacted]
Comment: or you may call [redacted] same phone numbers as above		
[redacted]	[redacted]	[redacted]

2. OK-- Now you need to add your initials. Big letter for your first name-- for me it's a K. Little letter for your last name or if you have several last names like a hyphenated one--it's the first of the last names.

So... for me, my new password is Ks1234567. If I hyphenated my last name(Allen-Schauff) it would be Ka1234567. The number part stays the same. Your first name is always a capital letter and your last name is a small letter.

On your phone it looks a little different: Again, you look at your student info. See the yellow? That's your number. Add your initials just like above. Big letter for your first name and small letter for your last. Easy stuff. Reset your password as soon as you can after the 6th. Like on the 7th.

I'll be in the library-- call me. We'll sort it out if you have problems.
