Re: Immediate news release for Rock Falls High School Alumni Association

Rock Falls High School Alumni Association was officially formed on August 15, 2019 when nine (9) interested graduates and/or community leaders interested in Rock Falls High School approved the Bylaws of a 501©(3) charitable organization known as the Rock Falls High School Alumni Association. Several months later the pandemic hit and progress was paused until face to face meetings could again take place. The website is now live, and is a link located at [www.rfhs301.org](http://www.rfhs301.org) which allows individuals to register as members of the RFHSAA, view the Bylaws, projects of the future, past minutes of Board of Director meetings and much more.

Board members interested in serving a three year term are welcome to submit an application by June 11 at the website or print the application when completed and mail it to the RFHSAA, % RFHS, 101 Twelfth Avenue, Rock Falls, IL 61071. Full information about a board member position is located on the website.

The first project planned is a rest room / concession stand to be located between the softball and baseball fields at Hinders Field. Donations of any amount may also be made at the website via PayPal online, as well as donations sent in checks via the postal system.

Any attendee at Rock Falls High School, graduate of Rock Falls High School, or community member interested in Rock Falls High School is urged to register as a member of the Rock Falls High School Alumni Association. There is no charge. The website is building a database that will assist in class reunions.
