

**Highlights of Minutes of Board of Director Meeting
Rock Falls High School Alumni Association
October 17, 2019**

Board Members Present: Ed Rein, Gary Sandrock, Lou Pignatelli, Pam Erby and Betty Clementz;

Board Members Absent: Russ Siefken, Ron Stonisch, Jim Brotheridge, and Bill Wescott;

Guest Present: Mike Lewis

Board members brainstormed methods of publicizing the existence of the RFHSAA and how to reach out to past graduates.

President Lou announced that the tax exempt status had been received and he would forward on to Board members.

Pam Erby and Betty Clementz agreed to go to RFHS to research past graduating senior class presidents in the yearbooks located in the library.

Ed Rein presented an architectural drawing of adding an additional 15 feet onto the restroom plans at baseball/softball diamond area in order to accommodate a concession stand, since water would already be available at that location. It is hoped that the actual footings could be in place yet this fall, so next spring the construction can actually begin.

It was mentioned that in every project a bronze plaque should be attached to the project to remind the community of how this project was funded by RFHSAA.

Treasurer Pam Erby will open the account at Community State Bank

Respectively submitted,
Betty Clementz, Secretary
